CSE WEBINAR! - ARTICLE

TAKING IT TO THE MAN!

On the 21st of March, three of our **senior heavy hitters** (Summer, Alicia & Charlie) and Miss Edwards went on a **perilous journey** to speak live on a webinar at our school's head NFA office (and yeah, **they're kind of a big deal**). The purpose of the webinar... to **'Stop and Spot exploitation'**. It wasn't easy, the girls battled a torrent of nerves and anxiety riddled worries, asking relatable questions like **"What if I swear?" "What if I need to pee?" "There's gotta be bickys right?"** However, in spite of any fear or panic they harboured (Summer asking for a **'cuppa'** right out of the gate to set the tone), the trio **100% delivered**.

Remember folks, webinars are **live** streams, the group answering **live** questions about their take on the issue of child sex exploitation. Their candour was impeccable, wowing the NFA mothership with their knowledge and attitude toward the issue! As a thank you, the main man **David Leatherbarrow**, codename **'BIG BOSS'** (yes, in all caps) proffered up a sizeable sum to show his gratitude and **pride** in the three's **passion** (they had one hell of a lunch).

The car journey was a victor's one, the girls blasting songs often played in girls group, **'single ladies'** being a personal favourite (don't judge me). **Keep making us proud girls!**
