

## ST. AUSTINS CHURCH!

**MEADOWCROFT  
SCHOOL**

**THE GALLERY &  
PRIMARY**

**ISSUE 5**

**From 25.03.19 to  
05.04.19**

With the Gallery site nearing *St. Austin's church* and theatre (seriously guys, it's like across the road) it was about time our pupil's paid a little visit! Led by Miss O'Donnell's very own uncle and chair of finance at the church, *Niall O'Donnell*, Primary were treated to a first class experience. Overtaken with *whimsy* and *awe*, our Primary pupils were *transfixed* by the beauty of the building and were fast on their heels as they explored its interior. And of course, with Mitchell present, no ending to the tour fitted more than Primary's very own *mock wedding*. Mitchell's speech at the church's altar was described as nothing short of *sterling* (think you've bagged yourself a career there Mitchell).

## A TRIP TO PUGNEYS

A routine endeavour for the classes of Primary is to journey to the various parks and fields that surround their school's site with staff, almost always accompanied by the best companion a child could ask for: our very own therapy dog, *Floyd*! This time, Pugneys was the destination! On their travels last week however, a staff member caught a snap of one of our more lively pupils; scurrying up a tree faster than any *squirrel*, the picture caught of Corey was more akin to that of a *seasoned photographer* than a Primary teacher! Take a look
