NATIONWIDE

WE HAVE AN ARTIST IN OUR MIDST. What kind you might ask? The kind that enters a **nationwide** academic art competition and bags a spot amongst the top 13 pieces in the country (holy mama). Seriously. This is a competition involving every school in the UK... and one of our pupils has made the cut! Who you might ask? Well, none other than **Lewis**, an up-and-coming **talent** at our vocational site (the Works)! Better still, an Auction will be held on November the 7th and 8th at the '**One Team Conference**' in which our very own **Head Teacher** (Mr Singh) will be attending. Lewis will have the option of selling his piece to **the highest bidder** if he so chooses, and can even choose his very own starting price (go big or go home, that's my advice). To top it off, Lewis will also be receiving a **£15 WHSmith** voucher for gracing this competition with his talent. **Well played, lad!**

**STUNNING
STUFF,
LEWIS!**
